Article 5 **Seeding of teams**

The Provincial RSEQ is responsible for seeding the 16 teams.

Seeding is done according to the following criteria based on the previous year's results:

- Juvenile ranking: 2/3 of the Juvenile ranking and 1/3 of the Midget ranking
- Midget ranking: 50% of the Midget ranking and 50% of the Bantam ranking
- Bantam ranking: the previous year's championship ranking

The RSEQ reserves the right to change the seeding process so that teams from the same region are not placed in the same section at the start of the championship.

N.B. If there is a tie among the combined rankings, priority will be given based on the category's ranking.

In the event of a withdrawal after the seeding information is published, if teams from the same region are placed in the same section, these two teams must play their first game of the championship against each other.

The RSEQ submits the official layout to the organizing committee and RSEQ regional associations by no later than 30 days before the start of the championship.

Article 6 **Duration of games**

6.1 Games are comprised of 2 x 20-minute, untimed periods. In regular time, the match may be extended to make up for unplanned game stoppages (injuries, etc.). The length of recovery time to make up for these time-outs is at all times at the referee's discretion.

6.2 **Overtime**

6.2.1 Preliminary rounds

If there is a tie at the end of the game in regular time, there will be a penalty shootout and the two (2) teams must complete three (3) kicks on the goal.

If a tie persists, kicks continue to be taken in the same order until one team has scored one goal more than the other after the same number of kicks.

6.2.2 Semi-finals and finals

In the event of a tie, there will be only one overtime period lasting five (5) minutes. The five (5) minutes must be played out completely. If a tie persists, there will be three (3) obligatory penalty kicks on the goal and if there is still a tie, each team will have one kick on the goal until a winner is declared.
